

Work a little. Save a lot.

When you shop at the Cooperative Grocery,
you save in many ways.

- ➔ You save money because we're a non-profit, working-members cooperative.
- ➔ You save the environment because the food and goods we sell meet our sustainability guidelines.
- ➔ You save a sense of community in this fast-paced world by joining our diverse membership.

All it takes is a commitment to work 2 1/2 hours
a month and a \$100 refundable investment
(payable in easy installments).

We're at the corner of
67th and Hollis Streets in Emeryville.
Stop by any Saturday from 10-4.
Or visit us online at www.thecog.org.
