

**CoG Shopping Party!**  
**This Saturday, December 8th, from 10am to 4pm**  
**Shop the CoG warehouse just like it's a store!**

- \* Discover all the products the CoG has to offer--including our growing local selection
- \* Get familiar with the layout of our warehouse
- \* Meet fellow (and future) CoG members

This Saturday, December 8, everyone's invited to come by the CoG Warehouse and shop the aisles. It's a great opportunity to explore our selection of food and goods and take home your favorite items.

**Bring a friend.** We'll be signing up new members on the spot. And if you haven't signed up for a work shift, we'll be doing that, too.

**50 bucks is all it takes.** We based the feasibility of the CoG on an average monthly spend of \$50 per member. If you haven't shopped with us yet, [go online](#) or come by Saturday. Thanks.

**CoG tip of the day:**

If you haven't already, [please create a profile for the online store.](#) This will make check out on Saturday go more smoothly.

**See you Saturday, December 8th, 10am - 4 pm, [1450 67th Street \(at Hollis\), Emeryville.](#)**

**Committee Update:**

You're invited to the next **CoG Tech Committee meeting**. If you have experience in areas like databases, online commerce and UI design, come see how you can help us improve the CoG experience. Email your interest/availability to: [CoGTech@googlegroups.com](mailto:CoGTech@googlegroups.com)

Are you a *reader*,  
but not a *member*?

It's a great time  
to join the CoG.

- Easy online shopping.
- Convenient location.
- Investment payable in installments.

[join today](#)
