Even if you **place a small order today, we learn a lot about your tastes and needs** and how to serve our members better. And keep an eye out for local and bulk products, coming soon!

It's your store: [give us feedback](#)

The Cooperative Grocery online store is in its infancy (just 2 days old!), and our members' orders and feedback are essential towards helping us improve our product selection, and increasing our collective purchasing power.

So place your order today »

Place your order by 3 pm tomorrow and pick it up on Tuesday the 20th, or Wednesday the 21st.

Remember: This two-week delay is a one-time issue. When regular shopping begins in late November, orders will be available the next day.
